SECOND GROUP OF DRAFTED MEN WILL BE EXAMINED TODAY AT THE LOCAL Y.M.C.A

This morning at 8 o'clock the county exemption board, consisting of Dr. C. H. Hunt, Sheriff Harry C. Wheeler and Recorder Ray S. Krebs, aided by as many physicians as possible, will meet at the Y. M. C. A. to examine the Bisbee quota of draft registrants. The examination will continue throughout the day. The board will go to Douglas on Saturday and to Tombstone Monday.

Those men to appear today have been called during the past week and their names are included among those published in the Review, in the last three days.

Owing to the heavy call upon the board for exemption blanks it will be necessary, today, for those who desire exemption to have their own blanks prepared from copies which the board has on hand. More physicians are needed to conduct the examinations and the clerk of the board, Mr. Krebs, would appreciate some voluntary clerical help.

Following are the last 400 names of the 1200 men called for examinations:
